

VESSEL SAFETY EXAMS- SPRAY BEACH YACHT CLUB

Look for us on the docks or call ahead

See Joe or Phyllis Zindulis any weekend for a Vessel Safety Exam for your boat. Phyllis and Joe are certified Vessel Safety Examiners and perform VSEs as a service to SBYC.

A Vessel Safety Exam is a check of the safety equipment and general seaworthiness of your boat. Successful completion leads to an award of a decal, placed on your boat. No enforcement action is taken if your boat fails the exam, and information is not reported to law enforcement agencies. No cost is involved. The program is sponsored by the United States Power Squadrons and Coast Guard Auxiliary.

**Keep the problems out
of your boat**

Phyllis' Cell 609-577-6355

You will need your boat registration and Boating Safety Certificate for the exam
